From the Baron and Baroness

Unto the strong and determined Populous of the Barony of Unser Hafen do Tuman and Rashiqah Baron and Baroness of Unser Hafen send Greetings!

This past month has seen many changes in our Barony. Several of our officers have found deputies, and many new faces have joined us. We recently held a demo at CSU and an intake meeting to acquaint those who expressed interest with our society with our members as well as what the SCA has to offer. We would like to offer our sincere thanks to all who attended these functions. In particular we would express gratitude to Their Excellencies Master Thorfinn and Mistress Rosalind for their efforts and hard work. In our many years in the Society, we have not witnessed a more productive demo in any group, ever. Each and every one of you deserve a pat on the back! Saint Martin's Abby is now a strong entity again with 18 signed members! Huzzah! We now charge you to reach out to these newcomers and welcome them as friends. They are the life blood of our group, and future companions to us all.

In other areas, we are proud to welcome Lord Scipio (AKA Erik the Viking) to the Companions of the Keepers of the Portcullis. His brief time within the SCA has been energetic and fruitful. We believe that he sets an example from which we can all learn.

War Practices are planned leading up to Estrella war. We call upon every heavy weapons fighter within the lands granted us by Their Royal Majesties to attend every war practice that they possibly can. Even if you will be unable to attend Estrella War, your participation in war practices demonstrates the strength of the Barony and supports the Kingdom as a whole. In particular, please set aside the following dates;

Sept. 30th Unser Hafen-Saturday before Eisteddfod
Oct. 8th Dragonsspine-Sunday after Argent Anniversary
Nov. 5th Caerthe-Sunday after sewing collegium
Dec. 2nd Unser Hafen-Sunday after Windkeep's Hunters Feast
Jan. 7th Caerthe-Sunday after 12th Night
Feb Dragonsspine-Sunday after Candlemass

Not only are we fulfilling our duties by supporting war practices, but they are also lots of fun! The travel to and from practice; pizza (or whatever) afterwards; and we won't even mention the prodigious amounts of fighting side by side with your friends!

At this years Newcomers' Event and 10th Year Celebration, we will be holding a costume competition. We request that you show your pride in the Barony by wearing your best Green and Gold. Prizes will be awarded by ourselves for presentations displaying the Baronial colors and/or device.

Monday October 2nd we will be holding circle meetings for the Companions of the Builders of the Portcullis from 7:00 to 8:30 and Companions of the Golden Columbine 8:30-9:30 at our home. The meetings will commence promply, so if you are late, you're likely to miss out on some of the discussions.

In closing, we would thank each of you for the hard work that you've put into strengthening the Barony and making Unser Hafen the most enjoyable Barony in the Known World.

In Service to the Crown and the Barony,

Lord Tuman and Mu'allima Rashiqah

Officer's Reports

Seneschal

Greetings!

The winds of war are starting to blow, and it is time for all Outlanders to begin to make ready. Whether fighter, fencer, artisan or support person..there is something for everyone at war and now is the time to make ready.

There will be several war practices at various locations in the coming months, and I urge everyone to attend, especially those who are going to be taking part in the fighting. We are in urgent need of combat archers to counter the fiends who slaughtered our Outlands forces last year (could you tell that I was killed by archers - TWICE!?) If you are interested, contact THL Linus or Lord Eric (aka Scipio).

This year Estrella is introducing a "land policy" that means that camping will be somewhat more restricted. Basically, each adult is given 225 square feet of space, while every paying child (9 - 17) gets 100 square feet. In order to have an organized encampment, Unser Hafen and our neighbors will have a "Group" encampment within the Outlands camp. By setting up a Group encampment, we are guaranteed a space with our kingdom, and also we are guaranteed that we can camp with our friends. However, to be a "group" we have to pre-register. There is a pre-registration form with our Group name already filled out. If you want to camp with Unser Hafen, you must use this form and this group name. Since no allowance is made for baronial or common areas, we are asking that everyone who camps with Unser Hafen give up 50 square feet (leaving you with 175 square feet per person). I have one of the larger tents, and with Galiana, Mirabel and I sharing the 12 x 20 monster, wereally only need a 240 square feet. That leaves us with 435 extra square feet. The donation to the "common area" will allow us to set up the Unser Hafen Longhouse (4 BC tents hooked together, with a fire pit). This creates a truly magical central area and is worth giving up a little space. In addition, Mistress Rosalind and Lady Galiana will be having a meal plan at war (cost is not final yet, but it was around $ 25 last year). This will be run out of the longhouse as well.

Since we will be squeezed in tightly, there will be a camp plan drawn up before war and everyone who camps with us will have a pre-assigned space. I really don't anticipate that there will be a problem with having enough land,

but if you are concerned, please speak with me.

PLEASE NOTE: IF YOU WANT TO CAMP WITH "NORTHERN REACHES (i.e. Unser Hafen and allied groups) OR EVEN IF YOU WANT TO SIMPLY BE IN THE OUTLANDS CAMP YOU MUST PREREGISTER, AND YOUR FORM MUST HAVE THE NAME OF THE GROUP AS SHOWN ON THE FORM CONTAINED IN THE TOSSPOT.

The deadline for preregistration is December 15. However, if you register before October 31, you can pay with a personal check AND you get a $5 discount for an adult.

I will be the Camp Coordinator (in other words, the one you can yell at) and I would request that you let me know the following information when you send in your registration..

Your name (SCA and Mundane)

The size of your tent(s)

The number of adults and children in each tent

Any people that you want to camp near.

Please note that each person is responsible for sending in their registrations and money directly to the Estrella War registrar. I will not be taking money, I'll just set up our encampment. I will do my best to make everyone happy. If I don't succeed, well.I'll have my armour and you can take a swing at me!

If you have any questions, please don't hesitate to call me.

Yours in Service,

Gwilim de Glamorgan

Chronicler

Eistedfodd

September 30, 2000, 7pm-midnight

Ya'salaam (Greetings)!

We wish it known that We greatly value those among us who entertain Our populace and make the long nights pass quickly and with merriment. Therefore, We would invite you to an evening of performances designed to choose Our next Baronial Bard. All may come, perform, and win recognition and renown (and perhaps a prize!) for their storytelling prowess. The highest placing artist from Unser Hafen shall win the title Pencerdd and the right to sit beside Us in Court.

This year's Eistedfodd will be held in the Arabic tradition. Bring your pillows and cushions for an evening of lounging while some of the best performers of the Outlands regale us with stories within stories. Our current Pencerdd, Her Ladyship Llamrei, will begin the competition by beginning a story. She will then hand off that story to the first competitor who will take up the story and add one of his or her own. The story line will then be handed off to the second competitor and so forth until all have had their say. Imagine the Thousand And One Nights unfolding before your very eyes and ears.

Entries may be prepared or improvisational. They may be song, prose, or poem so long as a story is told. Please plan to limit your entries to 7-10 minutes. The judging criteria will be:

Lead in - how well do you move from the previous entrant's story line into your own.
Hand off - how well do you hand off your story to the next entrant
Performance - Content, Delivery, Appropriateness
Notice will also be taken of originality, improvisation, Arabic style/feel, and number of stories within a given entry.

As an aid to those who may feel this format is overwhelming, Arabic stories were frequently morality or "teaching" tales similar to Aesop's fables. Feel free to blatantly copy other cultures' works and cast them into an Arabic style or setting.

If time permits, We will be pleased to open the floor to all entertainers and all forms of entertainment.

Appropriate to the Halloween season, this month Mistress Sadhbh Ni Donnabain will tell us about the Black Death. It came to Europe from the East and spread from country to country, we all know that. But how did it arrive, how did it spread, and why? How did people of the time deal with it? How did the Church and the secular authorities react to it? Even after it ended, it was not over; there were long term effects on the civilizations of Western Europe that persist to this day. A small example is the children's song, "Ring around the rosie". Remember where that came from?

We will meet at 7:30 P.M., October 25, the fourth Wednesday of the month, at Salamander Manor, the home of Mistress Bernice of Brittany - 3495 Newland Street, Wheat Ridge. All are encouraged to attend. Period garb is optional, but appreciated. For further information, call Mistress Bernice, 303-233-9558, Master Robin Vinehall, 303-444-5004, or Mistress Sadhbh at 720-932-0431.
